# From the **Chairman's Desk**

Chennai Institute of Technology, a forward-thinking, dynamic and vibrant educational institution, was founded with the mission of sharing valuable knowledge with the next generation. Our dedicated team of experienced professionals from both academia and industry is committed to shape the future and make a positive impact on the lives of young individuals.

We aspire to empower the young minds, guiding them to become successful entrepreneurs, accomplished researchers, and skilled techno professionals. Our commitment extends to prepare the students for success in all aspects of their lives. Together, we aim to transform the nation into a more powerful and advanced society through education and skill development.

**Shri. Sriram Parthasarathy**  
Chairman

## Why **CIT CHENNAI?**

- NIRF Ranked Institute
- 2<sup>nd</sup> Most preferred Institution (TNEA 2022, 2023 & 2024)
- Excellent Academic Achievements
- Flexible Industry Supported Curriculum
- State-of-the-Art Laboratories
- Industry Powered Centres of Excellence
- Real time Project based Learning
- Excellence in Research
- Pioneers in Innovation
- International Researchers Onboard
- Technology Business Incubator
- Active Industry Collaboration
- Masters in International Universities
- Excellent International Collaboration
- NBA - All eligible Programs are accredited
- 9.3 miles / 15 Km from International Airport
- Located amidst Industries
- WiFi Campus
- Round the clock access to Laboratories
- 24-hour Health Centre
- Safe and Secure Accommodation within Campus
- Air Conditioned International Hostel
- Multi Cuisine Food Court
- Vibrant Campus Life
- Student driven Technical, Social & Cultural Clubs
- Gym, Indoor and Outdoor Sports
- Active Global Alumni Network

# PROGRAMS OFFERED

## 14 BACHELOR PROGRAMS AND 3 MASTER PROGRAMS

### B.E. Courses

- B.E. Computer Science and Engineering
- B.E. Computer Science and Engineering (Cybersecurity)
- B.E. Computer Science and Engineering (Artificial Intelligence & Machine Learning)
- B.E. Electrical and Electronics Engineering
- B.E. Electronics and Communication Engineering
- B.E. Electronics and Communication (Advanced Communication Technology)
- B.E. Electronics Engineering (VLSI Design & Technology)
- B.E. Biomedical Engineering
- B.E. Mechanical Engineering
- B.E. Mechatronics Engineering
- B.E. Civil Engineering

### B.Tech. Courses

- B.Tech. Information Technology
- B.Tech. Artificial Intelligence & Data Science
- B.Tech. Computer Science & Business Systems

### MASTER PROGRAMS (2 YEAR)

- Applied Electronics
- CAD / CAM
- Computer Science and Engineering

### DOCTORAL PROGRAMS

- All Engineering departments and Science & Humanities

### Center for Foreign Languages

More than 500 students have been trained in **Japanese, German, French & Mandarin Language** by Centre for Foreign Languages, which has secured them an International Career in leading companies.

### INTERNATIONAL INTERNSHIP @ Japan

### Boarding Pass

to your International Career...

It is an honour to be a part of this amazing college, that trained me with ample professional skills.

**Stennet B. Sam**  
(Alumnus)  
Aston University, UK

Indeed a place that provides a platform to transform the life of every individuals.

**Lakshmi Manasa P**  
(Alumna)  
California University, USA

My dream has now become a reality only because of the amazing facilities and research opportunities provided to me.

**Alex B**  
(Alumnus)  
Northeastern Univ, USA

CIT always made sure that my engineering core knowledge is strong and has a good base.

**Anshumaan Krishnan**  
(Alumnus)  
University of Cambridge, UK

Inspired by international relations of CIT. We were taught various foreign languages, helped us to grab global opportunities.

**Deepak Kumar J**  
(Alumnus)  
SRH Hochschule Univ, Germany

# TOPPERS' TOP CHOICE

Chennai Institute of Technology's innovative learning programs are designed to equip students with both cutting-edge technical expertise and critical thinking skills.

**Monika S**  
1<sup>st</sup> Year AI & DS

Inspired by the remarkable achievements of Chennai Institute of Technology's alumni, I am driven by the belief that success is within reach.

**Sachin G**  
1<sup>st</sup> Year CSE

CIT Chennai's Innovation Labs provide a dynamic environment where young minds are empowered to turn their ideas into reality.

**Yogitha Nagarajan**  
1<sup>st</sup> Year ECE

Chennai Institute of Technology serves as the foundation for unlocking my potential, paving the way for both personal and professional growth.

**Revati S**  
1<sup>st</sup> Year AI & ML

## "TOP PERFORMERS" OF +2 HAVE TRUSTED 'CHENNAI INSTITUTE OF TECHNOLOGY' FOR THEIR BRIGHT CAREER

Joining CIT is one of the best decisions I have made. Not only we learn from some of the sharpest minds, we are also encouraged to explore new domains, irrespective of our departments.

### PARTHASARATHY MERIT SCHOLARSHIP

Cut-Off	Fee Waiver
<b>195 &amp; above</b>	100% Tuition Fee
<b>190-195</b>	50 % Tuition Fee

Scholarship is provided for all four years. Prior approval has to be obtained before attending counselling.

Grateful to belong to such an esteemed institution, where I acquired valuable professional expertise.

**Yaswanth Maddali**  
Alumnus (2017-2021 Batch)  
NIT, Pondy

A place dedicated to empowering individuals and catalyzing life transformations.

**Ashwini P**  
Alumna (2020-2024 Batch)  
IIT Madras

Thanks to the incredible facilities and research opportunities here, my dream has blossomed into reality.

**A. Mathesh**  
Alumnus (2020-2024 Batch)  
Autodesk

CIT Chennai consistently prioritized building a robust foundation for my core knowledge, ensuring its strength and depth.

**Priyadarshan N S**  
IV Year - CSBS  
Placed in Microsoft

Thanks to CIT Chennai's international focus, we learnt many languages, opening doors to global opportunities.

**Rupa Saisree**  
Alumna (2016-2020 Batch)  
PEGA Systems

# Strong Industry Collaborations

We cultivate strategic partnerships with prominent Multi National Corporations (MNC), government entities, core industries, Global Capability Centres (GCC), consulting firms, and cutting-edge IT product companies to curate and deliver our academic programs. This strategic collaboration ensures that our curriculum remains at the forefront of industry demands, offering practical and pertinent courses that equip our graduates for immediate deployment within their chosen fields. Furthermore, we place a strong emphasis on the development of communication acumen, teamwork, and leadership attributes, fostered through close engagement and support from our industry partners.

Google, India

# CAREER PATHWAYS

As each individual is unique and approaches life in a different manner, we allow each of them to choose his/her career pathways based on passion to prepare for life.

## Corporate Jobs

Students are mentored and trained from first year according to their goal and interest specifically for IT Product Companies, GCCs, Consulting Firms, Core Engineering Industries and ITES Companies

Students are prepared for Civil Services, Engineering Services, Public Sector Undertakings, Defence Services and other Government Sector jobs

## Government & Public Sector

## Higher Education

Students are given in-house training for various National and International Entrance Exams like GATE, GRE, TOEFL, IELTS etc, and Foreign Languages such as Japanese, German, French, Mandarin etc.

Students are guided to do Research Projects, Journal Publications, Industry Consultancy Projects and Patents by a team of 75 Fulltime Research Scientists from across the Globe

## Research

## Entrepreneurship

CIT Innovation Lab develops cognitive skills, nurtures ideas and CIT Business Incubation Forum hand holds the student startups to set up new ventures, improves upon and modernise existing businesses, connects angel investors and engages in social entrepreneurship & NGOs

## International Collaboration

- Internships
- Student Exchange Programs
- Industrial Visits
- Joint Research with top QS ranked Universities
- Training at Universities
- Mentorship
- Foreign Language Training
- International Placements
- Cultural Exchange Programs
- International Competitions

# INFRASTRUCTURE

“Joining Chennai Institute of Technology was the best decision of my life. My college is offering an explosion of technical, artistic, intellectual exposure and provides students with a variety of social activities, making learning more enjoyable. Our international hostel provides quality, hygienic & safe accommodation according to individual needs. Gym, indoor and outdoor sports facilities makes our stay in the campus enjoyable. In summary, Chennai Institute of Technology ensures the well being of the students both mentally and physically.”
